COMMUNITY PLAYLINK

Who we are, what we do and how it works.

Who we are: Community Playlink is a registered charity operating FREE Toy Libraries and supporting Toddler Groups in Southampton.

What we do - The Charity's Objects are:

1. To advance the education of children and their carers, by providing or assisting in the provision of facilities and activities for individuals and group play in which parents, guardians and carers can participate when appropriate;
2. To advance the education of parents and carers in the better care and upbringing of children;
3. To promote the preservation and protection of the health and well-being of such children, their carers and expectant parents.

Community Playlink produces regular information to promote its services and there are planned fundraising events that staff and volunteers can take part in. We work in partnership with many other organisations to further the aims, objectives and service delivery relying on funding from grants, individuals and activities

How it works: The Toy Library works like a book library; you borrow two items per child for two weeks and return them within the stated time. Loans are FREE. However, items lost, damaged or not returned may have to be paid for.

Anyone living in Southampton who has responsibility for 0-12-year olds, including parents, carers, professionals, and groups, including Toddler groups, can register to borrow toys, sports and play equipment. All the toys, sports and play equipment at the Toy Libraries reflect and promote positive images of the multicultural society in which we live. Pre-Schools and nurseries are also supported through Toy Loaning Schemes.
